## Tour of King Solomon Academy

As part of the proposal letter to bring Ark Paddington Green and King Solomon Academy together, to create one combined and expanded school located across two sites, we invited the Paddington Green community of parents and carers to visit the King Solomon Academy site. This tour will take place on Friday 24 November from 8.45am to 10.15am. Max Haimendorf and Katarine Deeks will be walking over to King Solomon at 8.30am if you would like to accompany us. If you are coming independently, please meet us at the main entrance on Penfold Street, NW1 6RX. We are keen to hear any more feedback you may have on the proposal to make sure we end up with the best possible education for our students now and in the future.

## Children with 100% Attendance – well done!

Well done to 150 children from Nursery to Year 6 who had 100% attendance in the first half term this year, from 5.9.17 to 20.10.17. This was awarded to the following:

These pupils make up 64% of the school population and came to school every day for 33 days without missing any learning time. They were all awarded 100% badges in our assembly today. If your child has not received a badge today, please work harder to ensure they attend school regularly from now on. Remember, if your child is absent for more than seven days, their attendance will not reach the acceptable level of 'good' by the end of the year.

## Michael Bond Memorial

On Tuesday 14 November Katarine Deeks and Rodney Bell had the privilege of attending the memorial service for Michael Bond at St Paul's Cathedral. It was a very special experience and a wonderful reminder of what an incredible storyteller Michael Bond was and how fortunate we have been to benefit from his favourite character Paddington. To mark the sadness of Michael Bond's passing and celebrate his enchanting creation of Paddington Bear, we will be holding a second movie afternoon with popcorn together in the hall, as we did on Monday 18 January 2016, the day we launched our relationship with Paddington Bear Ltd. This time we will enjoy the warmth, friendship, insatiable curiosity, morals and antics of Paddington in the latest movie, Paddington 2. We hope it will be another memorable experience.
