Y1Phonics workshop

It is highly recommended that all Year 1 parents or carers attend this workshop on Wednesday 1st February at 2.30. You will gain an understanding of the national screening test that children in Year 1 will sit in June as well as receive materials and guidance on how to help children prepare for the test at home.

Parents' Evenings

Don't forget Parents' Evenings this Wednesday 18 January from 2.00 to 5.00pm and Thursday 19 January from 3.40 to 5.30pm. Please be ready to

collect your child at 1.45pm on Wednesday and Thursday at 3.15pm so appointments can start on time. It is imperative you sign up for an appointment if you have not yet done so. This is an important opportunity to see progress in your child's books, discuss the impact of attendance and punctuality on progress and what together with your support needs to be achieved so your child can achieve or secure the national expectation for their year group. If your working hours make it difficult to attend during these hours, please arrange an alternative time with your child's class teacher. There will be a crèche in Room 2 with refreshments and both Arabic and Kurdish interpreters. Please see the timetable below for the location of all the meetings. All children are expected to attend these appointments with you.
