Thank you to all the children who did not miss a single lesson of learning during the first term this year. Thank you to our parents and carers for making their education a priority. Every second they spend at school with their teachers gives us and them the best chance of success in their progress this year. Please see the term dates below for the remainder of this year. Please do not even consider booking holidays during term time, as we want to

count on all children being present to benefit from well-planned lessons.

### Parent's Evenings

We are holding Parent's Evenings this Monday 15 January from 3.00 to 5.00pm and Monday 22 January from 2.00 to 5.30pm. Children will need to be collected at the usual time of 2:50pm this Monday and 1.45pm on Monday

22 January. During these meetings, we will look at the quality of learning in your child's Reading, Writing, Maths and Topic books, or on their Tapestry profile in Nursery and Reception. We will also review their attendance and lateness, summit stamp achievements and their home reading habit.

Please make sure you have signed up for an appointment with your child's class teacher. All parents/carers are expected to attend. Please do not send an older sibling, and most importantly, make sure your child is present for this review of progress. If your working hours make it difficult to attend during these hours, our staff are happy to arrange an alternative time. There will be a crèche available for younger children, so you and your children are able to give your full attention to these important discussions about their progress.

Wednesday 7 February	Y3 and 4 Summit Party
