

Wiggle Week Countdown: 1 week to go!

There's only one week left until the **Wiggle Week Challenge**, taking place next week from **Monday 6th February – Friday 10th February!**

Wiggle Week is a new healthy lifestyle campaign which introduces healthy behaviours by combining catchy song-words with well-known nursery rhyme tunes. Over the past two weeks, children in reception and year one have been learning six different wiggles. During the Wiggle Week Challenge, we will be encouraging everyone to complete all six wiggles everyday to earn sticker rewards!

Remember to check your school's MEND Healthy Notice Board to see which wiggles we'd like you to learn this week. Test how well you know them already by seeing if you can match the Superdude to their wiggle...
