Happy Holidays

We wish you all a super half term holiday. Please remember to maintain your daily reading routine and visit your local library to have plenty of books to read. This map shows three local libraries in our area. Membership is free for every member of the family. We look forward to seeing you back at school at 8.45am on Monday 20 February.

Home Learning Workshop themes

A reminder to all parents and carers that the third cycle of home learning workshops starts immediately after the holiday. Each workshop will explore:

- Maths strategies for each age group that you can use at home.
- The latest phonics tests results for Year 1 parents
- The latest arithmetic, grammar or SATs practice test result for Years 1 to 6 parents
- E-safety and how to ensure your children access the online world safely and positively.

The dates below were first announced in the last cycle of workshops six weeks ago and most of you got your mobile phones and diaries out on the day to make sure you could plan ahead. Your participation at the workshops is a key part of

supporting your child to continue to be a learner when they are at home. We recognise the important role you play in supporting our children with home learning, so we expect 100% attendance by a family member or friend so each child can participate together with someone.

Attendance

As we are half way through the academic year, it is important to see how pupil attendance is improving in some classes. Well done Year 5 Imperial and Year 6 Brighton for your excellent attendance. The National average last year was 96.2% so we are currently 0.5% away from achieving this. We want to exceed this average as this will mean our children are benefitting from more learning time at school. Please support us to achieve this.

Class	%	Rating
Nursery Southbank	93.7	Poor attendance
Reception Northumbria	92.9	Poor attendance
