Summit Parties

Congratulations to the many children listed below who succeeded in the summit challenge by 'inspiring others' and achieving a summit stamp in their reading record book for at least 20 days this half term. They all attended summit parties this week and had lots of fun with Ms Eyre and Mrs Deeks! It was

especially wonderful to congratulate the children who attended their first summit party.

The challenge to achieve 20 summit stamps this term was harder than previous terms as the number of extra days available was fewer than previous half terms. So that you know well ahead what you are aiming to achieve, here are the start and end dates and how many days you have to support your children to achieve this goal. We are rooting for all your children to succeed! Mrs Deeks' dream is to hold summit parties where 100% of the children are able to attend because they have regularly inspired others!

Happy Half Term

The APG community wishes you a wonderful half term holiday. Grab this opportunity to visit the many museums and galleries on our doorstep in this

amazing city. There is so much for the whole family to experience, with many places completely free. You could also join the event below. Don't forget to keep up the daily reading – you could consider a family novel to be enjoyed by everyone. Mrs Deeks' favourite family novel was *The Hobbit* by J. R. R. Tolkien.
