School Closed

A reminder to all our families that the school is closed tomorrow Friday 17 March, for an Ark network moderation day. The school will be open as normal on Monday 20 March. Please collect a term dates card or calendar from the office for all future school closures and holiday dates this year.

Friday 24 March

Red Nose Day

On Friday 24 March, we will be taking part in raising money for Red Nose Day. Red Nose Day unites the entire nation in trying to make a difference to the lives of thousands of people across Africa and the UK who are facing terrible injustice or living in desperate poverty. To help raise money, with a £1.00 donation, your child can come to school wearing any **red accessory**. For example, a **red** hat, a **red** armband, **red** socks or **red** nails. You will also be able to purchase a red nose – there are nine new Red Nose characters to find plus an ultra-rare silver one!

FREE LOCAL FAMILY SCIENCE FUN DAY

THE FLOATING CLASSROOM ON THE ELECTRIC BARGE

BRINGING SCIENCE TO LIFE FOR ALL!

SUNDAY 19th MARCH 11am-3pm

INTERACTIVE SCIENCE SHOWS 12.30pm & 2.15pm
Hands on drop in Activities throughout the Day!

STEP ON BOARD THE FLOATING CLASSROOM ON THE ELECTRIC BARGE ADJACENT TO SHELDON SQUARE, PADDINGTON CENTRAL, W2 6NA

Healthy Breakfast

During late duty this week, we have noticed the following breakfasts being eaten on the way to school; Maltesers, Smarties, Croissants, Quavers and chocolate spread sandwiches. This is not a good start to a school day for anyone but particularly not our children. Children cannot behave and learn well if they are full of sugar. These are foods we buy or make as a treat foods and are not suitable for breakfast.

We work hard to be a healthy school. You have supported us to change the way our children eat during the school day. Please do the same for breakfast. If you would like advice on what you could provide your family for breakfast, please arrange to meet with Naima Juid or Rachel Jacobs.

Science Family Fun Day

The Floating Classroom are hosting a Science Family Fun Day on Sunday 19th March from 11am to 3pm. The day will have a range of Science based, hands on activities and investigations on board the Floating Classroom and will be a great way to spend some of your weekend, especially as there is no school on Friday. Find the Floating Classroom on the Electric barge next to Sheldon Square by Paddington Central station W2 6NA.
