

Class Ambassadors

After three weeks of observing our children, the following children have been selected to be our first school ambassadors. This is a special achievement and they should all be very proud of themselves.

To be eligible for this role, the children need to be able to demonstrate the following:

1. Make Aunt Lucy and Paddington Bear proud with your impeccable manners, every day. You can always be heard saying: please, thank you, excuse me, you're welcome and sorry.
2. You are able to consistently give firm handshakes with excellent eye contact and a warm smile to anybody.
3. You can confidently greet and explain the lesson and learning objective to all classroom visitors who wear a red visitor's lanyard.
4. You make everyone feel welcome by making pleasant comments or giving compliments.

Please congratulate the following children when you see them proudly wearing their badge.

Year 1: Frederic W V

Pen license

Congratulations to Leah H in Year 3 and Daniel B N in Year 5, they are the first children of 2018 who are able to use a black pen in lessons instead of pencil. Daniel and Leah have both joined the school this academic year, so we are very impressed with their ambition to

achieve this recognition. They presented their English, Reading, Maths, Humanities, Science, home reading record, handwriting, sketch, writing progress and homework books for review. All the books showed consistently neat, cursive handwriting and were well presented; meeting the criteria for being awarded a pen license. Congratulations Leah and Daniel! We hope this will inspire many more children to have the same high standard.

Decorate the Shepherds Hut

Message from Ashraf Fatimah M on behalf of Year 4. We are very happy our school has a shepherd's hut, and are very thankful to Miss Sophia who made this happen. Miss Sophia asked for advice to make the hut an even better place. We

would like to ask the Paddington Green community to please draw pictures of nature and bring them in on Tuesdays to give to Sophia, who will decorate the interior of the hut. We hope our hut will become an inspiring and attractive learning space.
