Happy holidays!

We wish you all a really super Easter holiday. If you are going abroad, we wish you a safe journey. Please avoid returning the day before school starts on Tuesday 18 April so the children can recover from jetlag. They need time to sleep and get their uniform and bag ready so they are completely ready for learning. Please maintain good wake up and bedtime routines so that getting back into routine for the summer term is not another difficult transition. It is crucial for Year 6 children to maintain routines so they can benefit the most from booster reading lessons from the 10 to 12 April. Please take time to read books together and explore the places you are in. Cut back on computer, phone and tablet time. Remember, often the best learning takes place when children and adults spend quality time together.

Easter Egg Competition

Well done to all the children who took part in this year's Easter Egg Competition. We had some fantastically creative entries, and the winners for each class can be seen below

After school clubs

A reminder that new after school clubs will commence during the week beginning Monday 24 April. Club lists will be displayed on the main hall windows by Friday 21 April. Breakfast Club will continue with the current register but we currently have a small number of places available. Please come to the school office for further information.

Red Nose Day

Thank you for wearing something red last Friday and bringing in a donation to support Red Nose Day. We raised **£433.49**, which will make a difference to the lives of thousands of people across Africa and the UK who are facing terrible injustice or living in desperate poverty. Thank you for your support every year with this very worthy cause.
