Parents' Evenings

Don't forget Parents' Evenings this coming Wednesday 3 May and Thursday 4 May. Please be ready to collect your child at 1.40pm in all year groups on Wednesday 3 May and 3.15pm in all year groups on

Thursday 5 May, except Year 5 who need to be collected at 1.40pm. You will be informed of your appointment time(s) today. This term, we have worked hard to schedule appointments first for children who live the furthest from the school and plot appointments for families with many children as close together as possible to reduce waiting time. This is an important opportunity to see progress in your child's books, review progress in attendance and punctuality, explore behaviour data and review the targets you set in the home learning workshop. This is the last term this year for our children to make progress towards achieving or maintaining age related expectations so we need all your support to work together to ensure each and every child is proud of their achievements on Friday 21 July. If your working hours or a prior engagement make it difficult to attend your appointment, please arrange an alternative time with your child's class teacher. There will be a crèche in Room 2 with refreshments and both Arabic and Kurdish interpreters. Please see the timetable below for the location of all the meetings. All children are expected to attend these appointments with you.
