Happy Holidays

We wish you all a really super Easter holiday. If you are going abroad, we wish you a safe journey. Please avoid returning the day before school starts, which

is on Monday 16 April, so that the children can recover from jetlag. They need time to sleep and get their uniform and bag ready, so they are completely ready for learning. It is crucial for Year 6 children to maintain good routines so they can benefit the most from booster reading lessons from the 10 to 12 April. Please take time to read books together and explore the places you are in. Cut back on computer, phone and tablet time, and remember, often the best and most memorable learning takes place when children and adults spend quality time together.

Easter Egg Competition

Congratulations to all the children who took part in this year's Easter Egg Competition. We had some fantastically creative entries, and the winners for each class can be seen below. Well done winners – the time and effort you dedicated to your creations paid off!

Mind, Exercise, Nutrition...Do it! Programme

mend Today, we had the wonderful teachers from MEND holding a workshop in the school playground. The aim of this session was to inform parents about how to improve diet and increase physical activity across our school community. If you would like any further information about any of the issues raised please contact Mr Gregory.

Breakfast Club

A reminder that breakfast club is delivered between 7.45 to 8.15am. Children attending breakfast club must arrive by 7:50am in order to have sufficient time to eat, do homework or take part in the daily activities and prepare for the day. The staff delivering this club have a very short time to feed the children and run an activity for up to 35 children. Children arriving regularly after 7:50 will lose their place in the club. To avoid this, please ensure your child arrives on time.
