As you can see the level of involvement in our children's learning has increased again, with even better attendance in comparison to the Spring term. Our children look forward to these workshops and parents' evening because their parent or an important family member comes to join them, and they can learn together. These experiences, which occur six times per year, are very important to us. We can share key learning strategies, recommendations for home learning routines, educational updates and set the home learning for the next half term. On behalf of all the staff of Paddington Green we want to say a huge thank you for your continued commitment to your children's progress and attainment. All your efforts are making a positive difference, so please join us for the next and final cycle of home learning workshops for this academic year. The dates are below. Please check them, as some of these dates have changed.
