NEW Book Fair!

We are delighted to tell you that Usborne Books will be on sale after school from 21 to 25 May 2018 in the library area. Please come along to meet Jane Ireland and browse the books with your child. If, however, you are unable to attend, you can log onto www.quackquackbooks.co.uk and choose a book from the complete online catalogue.

We have chosen Usborne Books, not only because the books are excellent, but also because of their generous free book package. If a total of £600 is spent on books, the school will gain £360 in free books for our library and our class book corners! So please use this opportunity to stock up on home reading books, not only for your family bookshelf, but also for birthdays, new babies or other gifts!

Usborne New Titles For May

Once you have made your selection, the books will be ordered and delivered to school the week commencing Monday 4 June. You can pay with cash, cheque (made payable to Jane Ireland) or credit card.

Open School

Last term, we opened our doors for parents and carers to visit classrooms at the start of the day to experience the daily maths meeting. During that time children practised their key maths skills through singing various maths songs and rhymes, along with recapping previous learning in a pacy way. On Monday 21 May, we will be opening the school again to invite you to join us from 9:00 9:45am. On this occasion you will have the opportunity to observe what an arithmetic test is like in Years 3, 4 and 5. The children will be sitting the test at this time, in these year groups, and you are welcome to see what is expected in this exam in order to support your children with this at home. Even if you do not have children in these year groups, but are interested to see what your child will experience in the future, then you are welcome to observe. We look forward to your eager interest in these classrooms - remember you will need to be very quiet, so please turn off your mobiles.

Summer Fair volunteers

Chris Hawthorne, a parent governor and our previous Chair of Governors, is kindly leading the organisation of the Summer Fair again this year. We are super lucky that he is committing his voluntary time again for all our benefit. To ensure this yearly event is another success, we need the support from parents, carers and other members of the APG community. Please join Chris for a meeting at 8.45am on Tuesday 5th June in the main hall to find out how you could support this event.

**Ark Paddington Green
Primary Academy**

**The Summer Fair 2018
Needs You!**

The summer fair relies on the help of the whole APG community: staff, pupils, governors and especially parents!

*Do you have face painting proficiency? Are you handy with henna?
How about muscle for moving furniture?
And getting creative with cakes?
Or providing prizes for pupils?*

If you are willing we can find a job for you!

Come and join us at the:

Summer Fair Planning Meeting

Tues 5 June 8.45—Main Hall

Upcoming events:
